

Mozart magic flute die is the Uber Lottie star of five points nine and E6 sings spiel musical fair comedy come fairy for the Viennese public and not the court

Act one

story in east side Pimp paints fleeing for life serpent charms fear three ladies appear to save him and kill the addiction the bitches find the pimp sexy and start fingering each other in argument thing who should go down on him first they decide to leave him with blue balls while fetching their mistress the queen of fright some other cunt came by and the pimp woke up some other cunt told him she got rid of his addiction then all hell breaks loose when the three bitches reappear and didn't tell exposed the cunt sly and gag the cunts now with the pimps cock depend gets padlocks and Hancock handcuffed and padlocked to a porta potty he dead as a reward for doing such a mighty cock stuffing the pictures show a photo pic of the queen sexy sex toy daughter slut face to thinking about while mouth fucking some other current immediately the pimp Louises load blows his load in the queen shows up to shame him she hassles him on a quest to kidnap her so she can bribe them selves for ransom ball partying hard core so the cunt gets her three twin brothers oil and maxim probably ready for action with some handiwork and equipped the magic anal beads and magic flute off to see the merry old white where's of sarcasm though domain the old way where is grand Pa has scapegoated his lynch mob to gangbang the queen's daughter slut face while awaiting trial for door-to-door black book knocking slut face has her way dominating the lynch mob punching them in the bags and shitter the lynch mob all orgasm simultaneously and pass out leaving slut face throbbing desire it is then the tent and his crew make it out on the steam the pimp comfort slut face by making her suck off his whole crew while her Rams his from the back as the pimp temps cock centers slut face is pussy lips she felt she had to find it on the cock she was sucking slut face is cunt was dripping wet her stomach cute as she puked and she knew deep in her heart it was an internal flame of love all the while the other con would you The other cunt would just rub on out on the side while watching entertainment and slut face cock holds the others cunt telling her she is worthless all the sudden there is a ringtone the pimp answers the phone a quick secret conversation is discussed. The pimp hangs up and finds directions to the entrance of the sarcasm temple the crew make out at the entrance wall being confronted by the speaker for a cover charge the crew break out the instruments and start jamming away beaded fluting marry man so they all got in side for free once inside the temple where fires Flames from pillows the grand white wiz jerks off while watching is gas get it on then an accident happened while the pimp was between situations to Preston genitals he caught the gays the slut face covered and juice and Jizzaah him and she saw him looking at her and her eyes met and it was then that the grand wiz lost his load and demand all his servants to be executed for letting him make an ass out of himself the grand white wiz then tries to prove his dick length by strapping his guest to a bed of nails wearing a video dome playing donkey Kong Pac-Man and Tetris while promising them initiation into his brotherhood

Act two

The crew always being unsatisfied will themselves to be tortured so they could be part of the sausage party and let the pre-slap strap them in though the pinprick burst holes in their ass and neck the crew remind remained steadfast and hard when the slut face appears in right and write them each individually chronologically literally slut face fucks the crew on the nail beds straps and scream at them to get back in the game for what the queen of freight wanted after slut face gets her fix she kicks the pimp in the face just for good measure after word slut face dressed rests her weary eyes when all of a sudden zombies from the mob appear lynch mob that is The zombies stiff with Rigamortus creep over to slut face dragging their feet wanting to buy it out slut face his mouth it is then the queen of fright appears and demands all of her holes to be fulfilled as the zombies cream pie in the queen in a harsh quickie they turned to dust in the wind slut face still sleeping like a baby Mel's out her dream of murdering the grand wait where is after she cuts off his balls after she puts the nail through the whole of his cock after she invites him inside her while alone upon hearing this the grande White wiz appears being completely delighted he has something to film for his video

collection and promises to use creative Commons copyright and that the neither slut face or her mother will be in the planned revenge of how much he hated himself. The painting crew still strapped into the beds with video drone over their eyes calls begin the first mistrial of donkey Kong it gets fucking confused well winning at the game the temp cannot retain an erection and some other con refuses to play the game due to it being too violent for her kids slut face is heartbroken she can't ride the pimps cock while he is winning at donkey Kong so tells him she's going to kill herself and that it's all his fault they're the video drome switches to Pac-Man some other cunt is dreaming of his companion when a teenybopper appears and is suddenly transformed into some other countries but since some other cunt had a mistrial some other countries is whiskey West away ass punishment bitching and moaning outside the torture garden down the checkered floor hallway slut face met up with the three twins who go down on her all at once for an hour after slut face has multiple orgasm the three twins lead her back to the video drone viewing center at the viewing center the pimp finishes pac-Man finishing pack woman and his pack child for not having enough money for rent or food and let's Pac-Man blow his own brains out after word without a break in between the temp begins the final trial of Tetris in Texas tea being an asshole the grande White where is throws flames and then water on them as a practical joke the pimp only lives then groans and proceeds to produce the magic anal beans and magic flute from his or her fists and empty stomach protected by the magic flute the video drome begins making the Tetris pipeline work it's self sustainable he magically and anal beads undo the straps and produce success on doing the nails back into the bed and the crew takes all the video drone headset some other cunt cunt pining for her Long lost love some other cunt is threatens to kill her self and then everyone else the three twins cheer her on and so she does and then his long lost love some other contests reappears and has a four-way with the three twins The queen of fright reappears in Browns up rounds up the grand white whiz and his lynch mob to be the victims of female boo cocky by the queen and her bitches bright light shines as the pimp and slut face or joined in bloodlust and the pyramid scheme corporate takeover collapse but then slut face kills herself anyway
